Annual	\$ 324.00	\$ 291.60	\$ 275.40	\$ 259.20		

WHAT DO I HAVE TO DO TO GET STARTED?

Depending on your company's corporate membership policy, there are two ways you can activate your membership.

- 1) Complete membership application through your company's HR department.
- 2) Come to the Twin Pike Family YMCA and mention your workplace to receive your discount.

Memberships will either be automatically withdrawn from your account at the YMCA or your membership dues will be deducted through your payroll. Ask your HR department for more information.

All new members will be responsible for paying their join fee and pro-rated membership dues upon membership activation.
